

MADHEKE®

Experience the impeccable craftsmanship of Madheke, understated classic elegance, blending tradition and contemporary - vintage and modern.

Rare skins, crafted metals, and fine veneers seamlessly meet high-performance materials and tectonic detailing, in a language inspired by old-world traditions, for the contemporary world.

CARE

Madheke products are crafted with artisanal materials and finishes, such finishes can experience variations, accentuating the beauty and handcrafted feel of every product.

Finishes such as metal can experience surface variations over time, these variations are natural and we believe accentuate the handcrafted feel of every product.

Metal products need to be wiped with a soft cloth dipped in a mild solution of soap and water, dry immediately with a soft dry cloth. Do not use abrasive cleaners or harsh chemicals as these can damage or scratch surfaces.

Our fabrics provide heavy-duty durability, they are liquid, stain, and microbial resistant, with an impenetrable moisture barrier. Fabrics can be cleaned with a soft brush and mild soapy solution.

Natural materials such as leather and wood can be wiped gently with a soft white lint-free cloth. Avoid hard chemicals, detergents, cleaning solvents, varnish, abrasive cleaners, soaps, and sharp objects. Avoid direct exposure to sunlight, dryness, and heat.
